Scottish Salmon

JOINT CARE PACK

to help support cartilage for healthy joints in senior dogs.

NATURALLY OCCURRING COLLAGEN

Naturally occurring collagen helps maintain healthy joints and skin.

PROVITAMIN

Added L-Carnitine to help maintain a healthy weight and lean muscle mass in older dogs.

SCOTTISH SALMON

Your salmon recipe contains freshly prepared Scottish Salmon. Scottish Salmon is typically fed better quality feed, and farming is less intensive with fewer fish in a cage, meaning they can swim further and develop more muscle. By offering your customers Scottish Salmon in your Superfood 65® range, you now can tell an engaging story about its origin.

SUPERFOODS

DILL: Source of Iron to help support normal functions of the circulatory system.

ASPARGUS: Source of Vitamin C which has an essential role in collagen synthesis important to help maintain healthy bones.

SPINACH: Source of Vitamin A to help maintain healthy vision.

TOMATO: Source of Potassium to help with nerve and muscle functions.

FENNEL: A good source of Calcium which helps maintain healthy bones and teeth.

NATURALLY OCCURRING COLLAGEN

Your 35% Minimum Freshly Prepared Scottish Salmon has naturally occurring Collagen.

- ✔ Naturally occurring collagen is found in freshly prepared ingredients
- ✔ Provides important building blocks for the body
- ✔ Helps maintain healthy bones, joints and skin
